Re: Change in Date and Time for Community Meeting

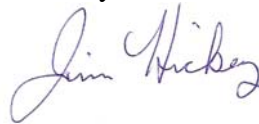

Dear Community Members:

We have received a number of requests asking that our planned community dialogue meeting scheduled for February 20th be re-scheduled to another date. In response to those requests, the meeting originally scheduled for February 20th is changed to February 21st beginning at 7:30 p.m. in the George Grant Mason (GGM) Multipurpose Room.

This meeting is intended to create a positive community dialogue and provide information about important school issues, including our relationship with the Greenwood Lake Union Free School District and the school budget. It will follow our regularly scheduled monthly board of education meeting that begins at 6:30 p.m. on February 21st in the GGM Multipurpose Room.

Please be sure to reserve this date. We look forward to meeting with you to answer questions, discuss ideas and listen to thoughts you may have to help improve our school district.

Sincerely,

Jim Hickey
President, Board of Education
