

get smartmusic!

Option 2: Students and Parents purchase directly from www.smartmusic.com

Dear Parent or Guardian:

Your child's director is recommending SmartMusic.® This one-of-a-kind practice software is an essential home practice tool for students of band, orchestra, and choir. It will help your child stay motivated, practice more, and progress more quickly. Plus, it's fun!

The code from your child's school is listed below. This code lets you purchase a one-year SmartMusic subscription at a greatly reduced price of \$25—a savings of over \$90 compared to the regular price of \$9.95 per month.

Your code is: _____

To Purchase SmartMusic for \$25:

1. Visit www.smartmusic.com and enter the code above to purchase your subscription. This subscription gives you access to the entire accompaniment library and all of SmartMusic's features for one year from your date of purchase.

A microphone is required for recording, Intelligent Accompaniment®, tuning and assessment. We recommend the SmartMusic microphone which is available for \$15 at www.smartmusic.com.

The SmartMusic CD-ROM and any accessories that you order will be sent directly to you. Shipping charges apply.

2. When you receive SmartMusic at home, install SmartMusic from the CD-ROM. You'll be prompted to activate your subscription using the email address and password that you created when you ordered. Activation takes a few minutes and requires an Internet connection. No ongoing Internet connection is needed to use SmartMusic after activation.

3. Start practicing!

You can learn how to set up and use SmartMusic by watching the SmartMusic QuickStart Videos, accessible from the Help menu.

Questions? Contact Technical Support online, at <http://support.makemusic.com> or by calling toll-free 866.240.4041 weekdays from 8:30 a.m. — 8:00 p.m. (CST).

System Requirements: Windows®: Pentium III®-class 800MHz processor or higher, 256MB RAM, Windows® 98SE/ME/2000/XP. Direct X 9 compatible sound card with full duplex support. Macintosh®: 867MHz G4 or higher processor, 512MB RAM (256MB RAM minimum), Mac OS 10.2.8 or higher. Microphone adaptor. Both: CD-ROM drive. 675 MB free disk space. Microphone. Headphones or speakers. Teachers: Create your code at www.smartmusic.com. Then fill in your code on this sheet, make copies, and distribute to your students.

**“Before I used SmartMusic it was boring to practice at home.
The variety of accompaniments makes it more fun.”**

—Breeyn, M.S. Band Student
